Game Description (for Players)

All aboard for Wild Celebrity Bus Megaways™!

Players will be transported around to see London's most famous sights whilst trying to match an array of celebrity passengers. Set across an iconic double decker with six ever-changing reel sizes, wilds are presents across the board to help award a win. Any winning symbols are removed from play, causing a cascade, with new symbols taking their place until there are no wins created.

Four scatter symbols are needed to unlock the flashy free spins round, where eight free spins are awarded. TUMBLE FEATURE

The TUMBLE FEATURE means that after every spin, winning combinations are paid and all winning symbols disappear. The remaining symbols fall to the bottom of the screen and the empty positions are replaced with new symbols coming from above. New symbols are of the same size as the initial spin result, before tumbles.

Tumbling will continue until no more winning combinations appear as a result of a tumble.

All wins are added to the player's balance after all the tumbles resulted from a base spin have been played.

This is the SCATTER symbol. It appears on all reels and can hit any possible size on the reel.

RESPIN FEATURE

Whenever 3x SCATTER symbols hit during the base game as a result of a normal spin or a tumble, the RESPIN FEATURE is triggered and 5 respins are awarded.

During the RESPIN FEATURE all SCATTER symbols remain on the screen until the end of the round and the number of symbols on each reel remains the same as the spin that triggers the feature.

The game pays for winning combinations and tumbles normally between each respin. The round ends when all 5 respins or a SCATTER symbol is present on every reel.

The feature cannot be retriggered.

If 4, 5 or 6 SCATTERS are present on the screen at the end of the RESPIN feature, the FREE SPINS feature is triggered.

Special reels are in play during the feature.
